FROM: Edward J. Maloney
Director of Information Technology

SUBJECT: NESAs Requirements for the New Headquarters Building

1. The following requirements were submitted by the Office of Near Eastern and South Asian Analysis (NESA) for their move into the New Headquarters Building (NHB). These requirements have been accepted and will be funded by the Office of Information Technology (OIT).

a. Provide non-secure telephone service, secure telephone service, and data service for NESA personnel in the NHB.

b. Relocate one NBI word processor from Room 7G00 to just outside Room 6A048 NHB.

c. Relocate the NESA AIDS terminal from room 6G17 to just outside Room 6C024 NHB.

d. Relocate seven IBM 3812 printers to the NESA areas in NHB.

e. Provide advance copies of Operations Center cables for NESA on the fifth floor, North Tower Information Service Center (ISC).

2. Your requirement, submitted jointly with the Office of East Asian Analysis (OEA) to review documents such as the Midday Intelligence Report (MIR), National Intelligence Daily (NID), and the President's Daily Bulletin (PDB) after preparation by the Office of Current Production and Analytical Support (CPAS) has been referred to Chief, Planning and Development Division/OIR for incorporation into a DI-wide requirement.

3. We also received your requirement, submitted jointly with OEA, to provide access to the Special Handling documents now obtained in the Operations Center. During investigation of this requirement, we learned that the providers of the documents have placed certain restrictions on the handling of the documents. Since these restrictions preclude any electrical
